Benny Carlson

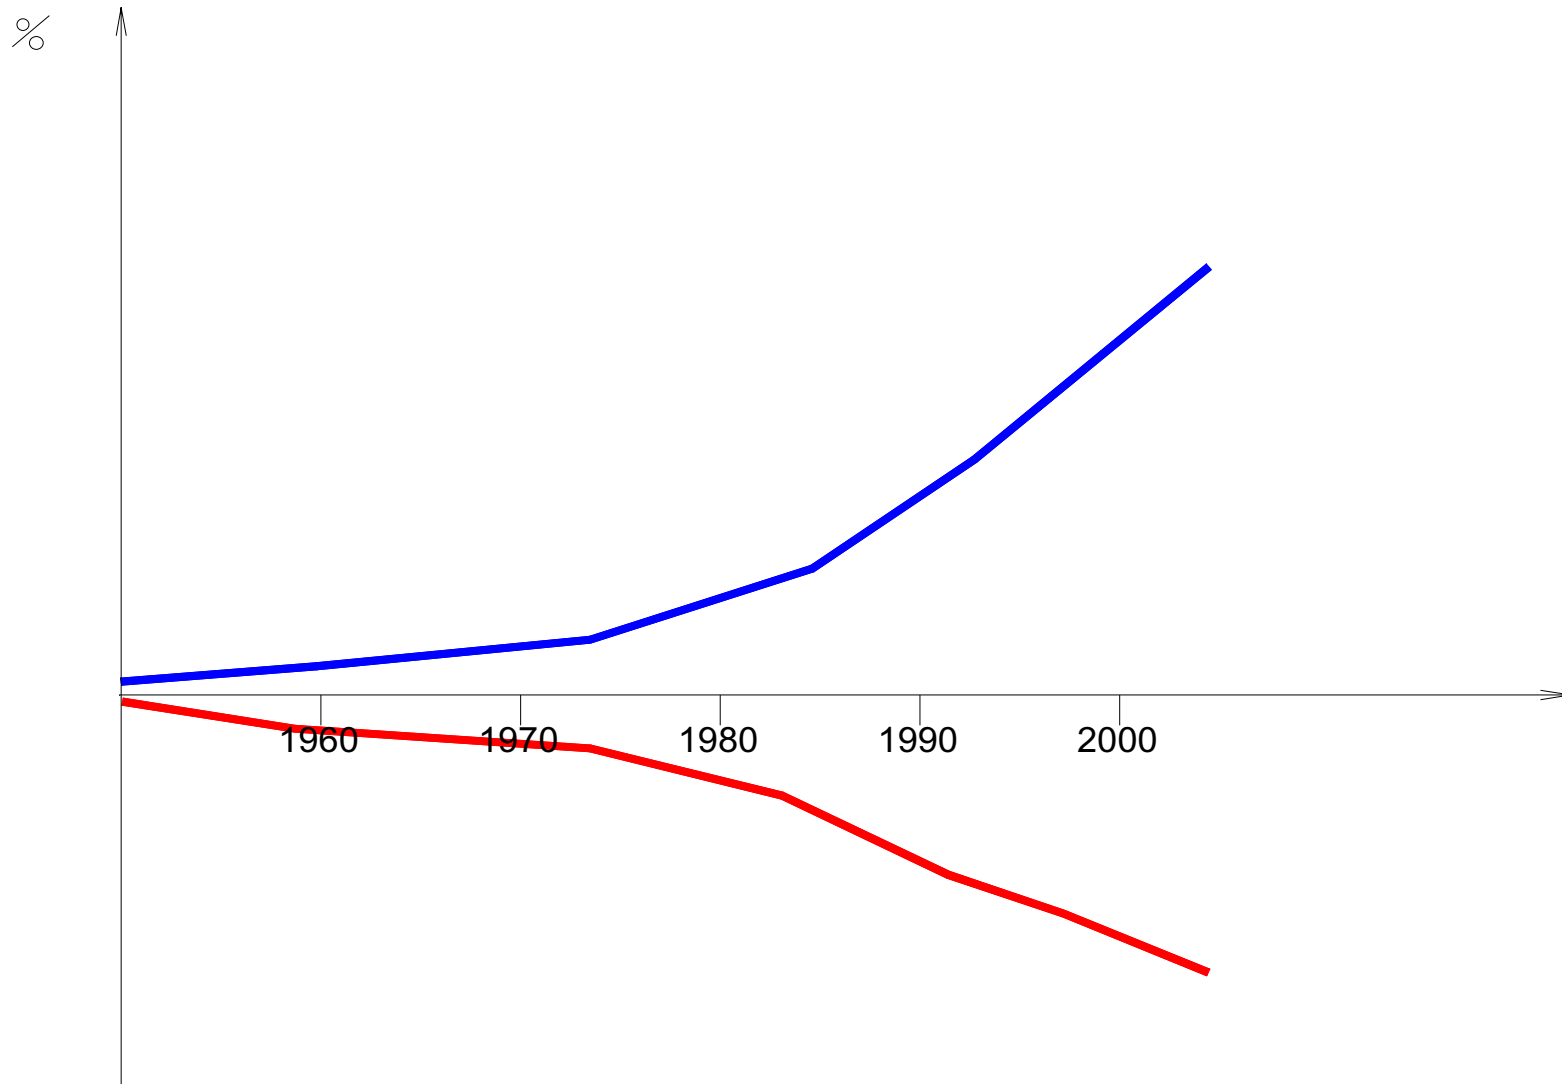

Why?

Image taken with Forward Looking Infra-Red Radar

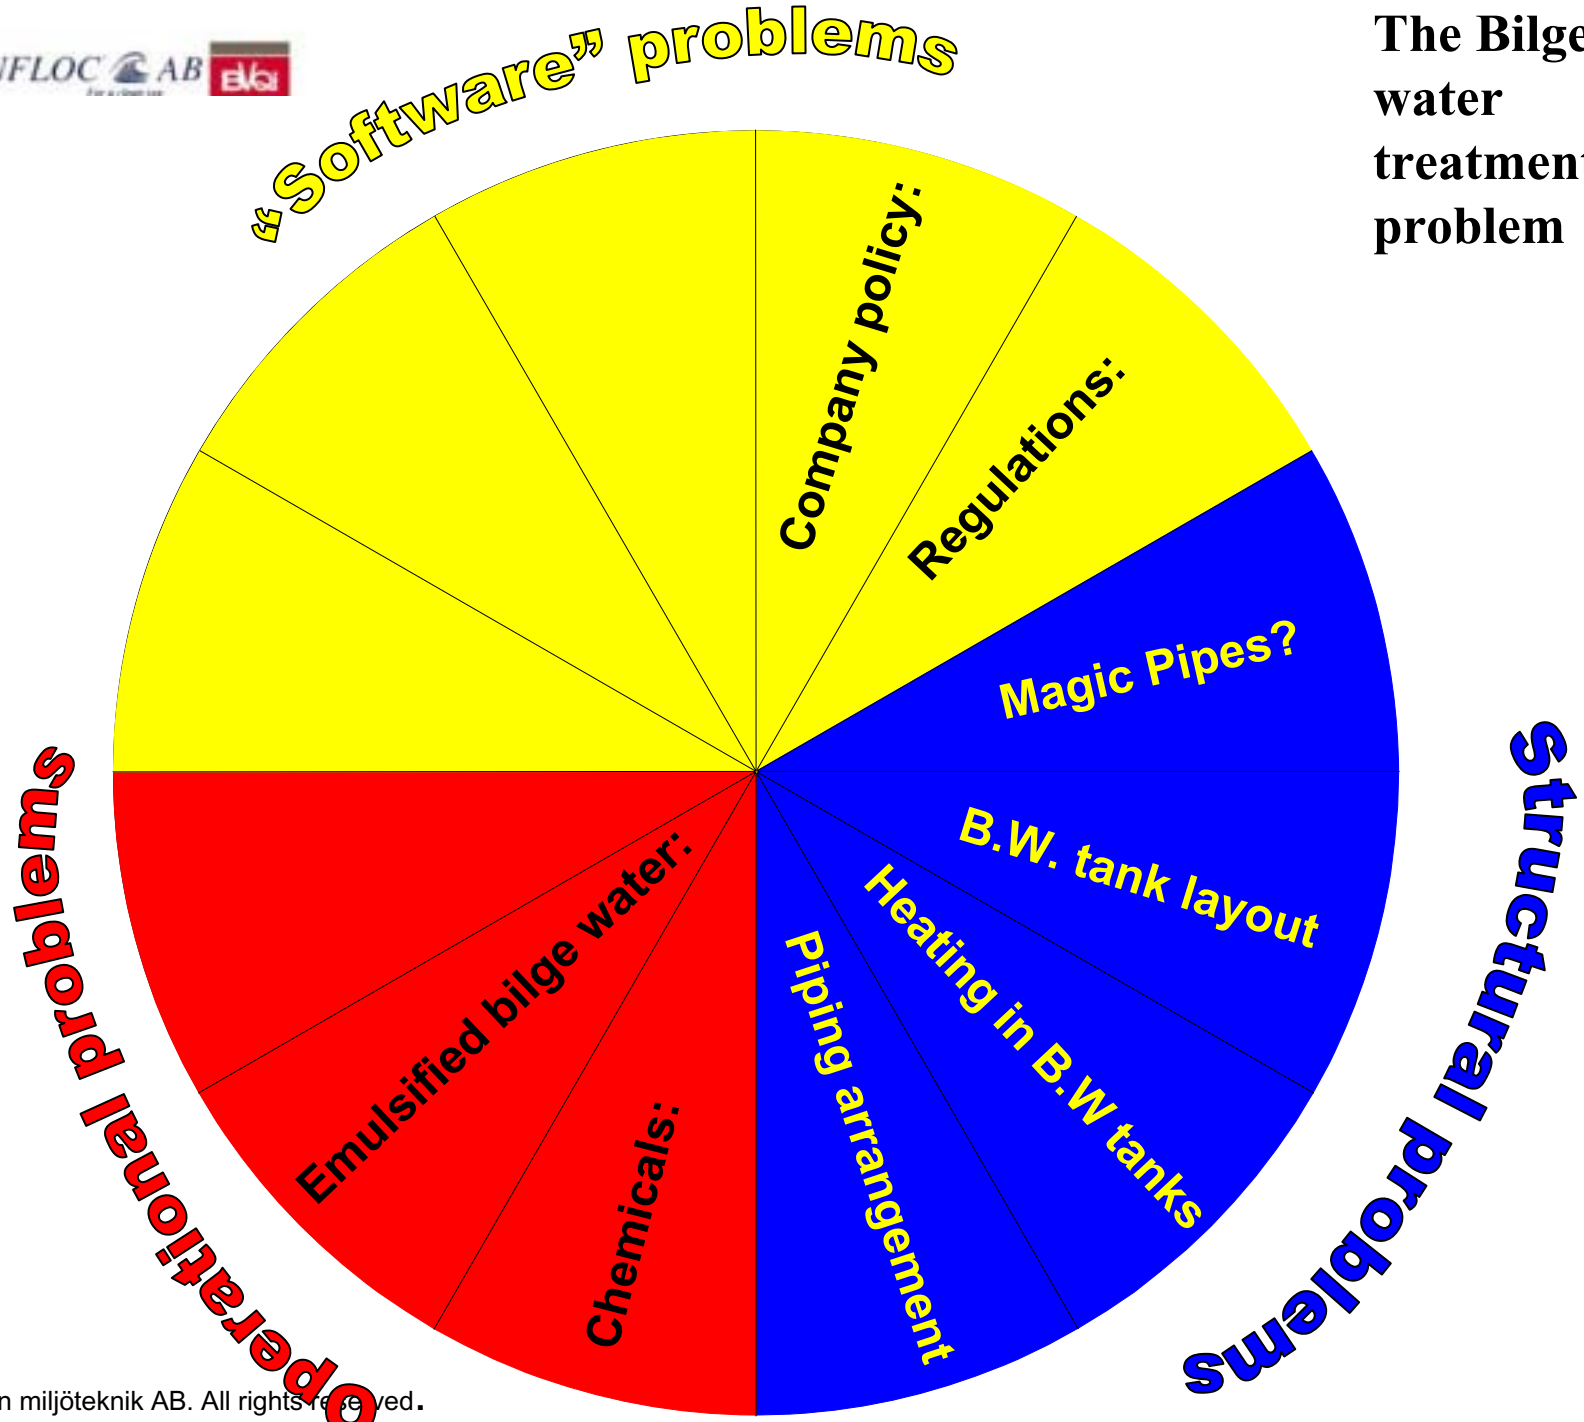

The Bilge water treatment problem

The use of new chemicals who helping ship owners to get more effective ships
Together with the side effects it brings to Bilge water and Sludge

The Bilge water treatment problem

ADDING PAC TO BILGE WATER

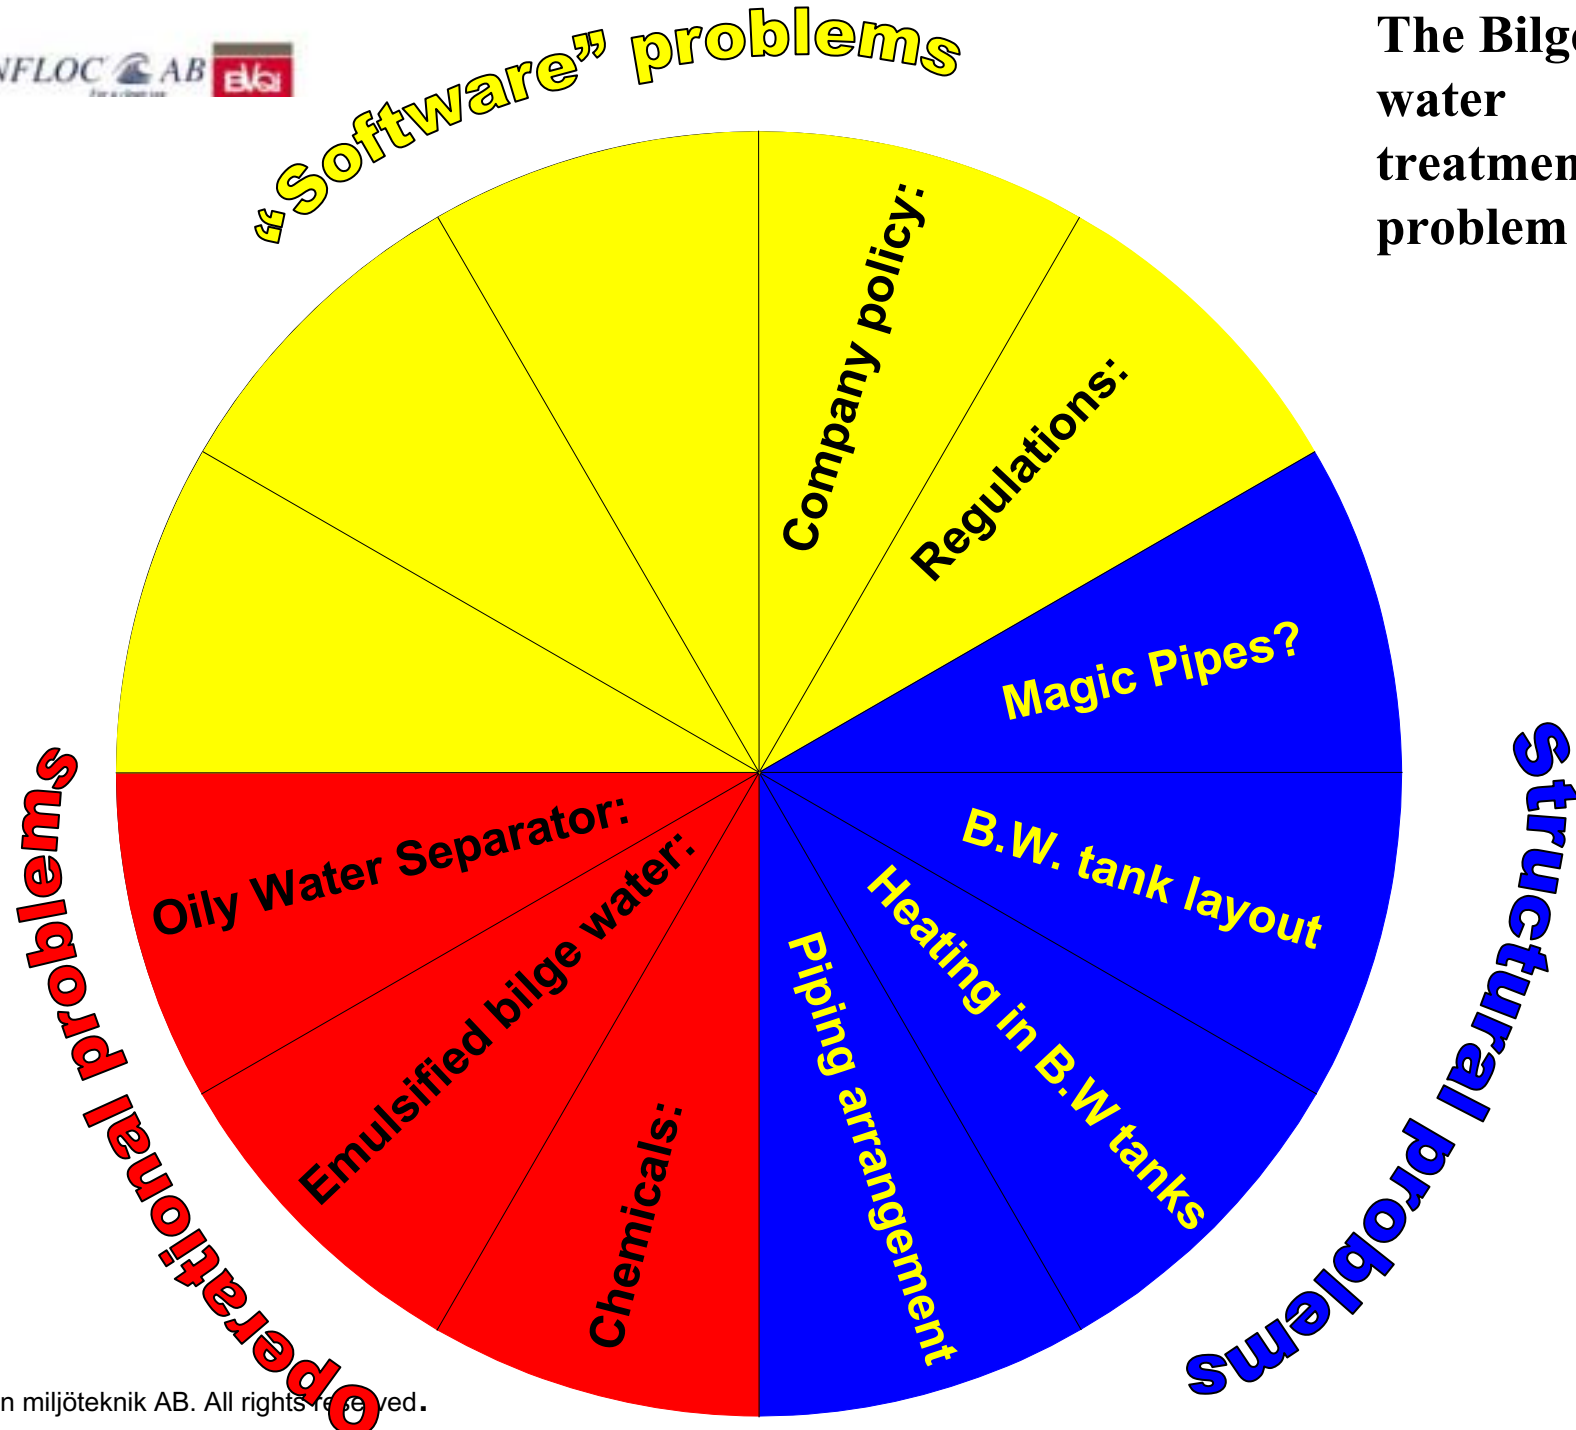

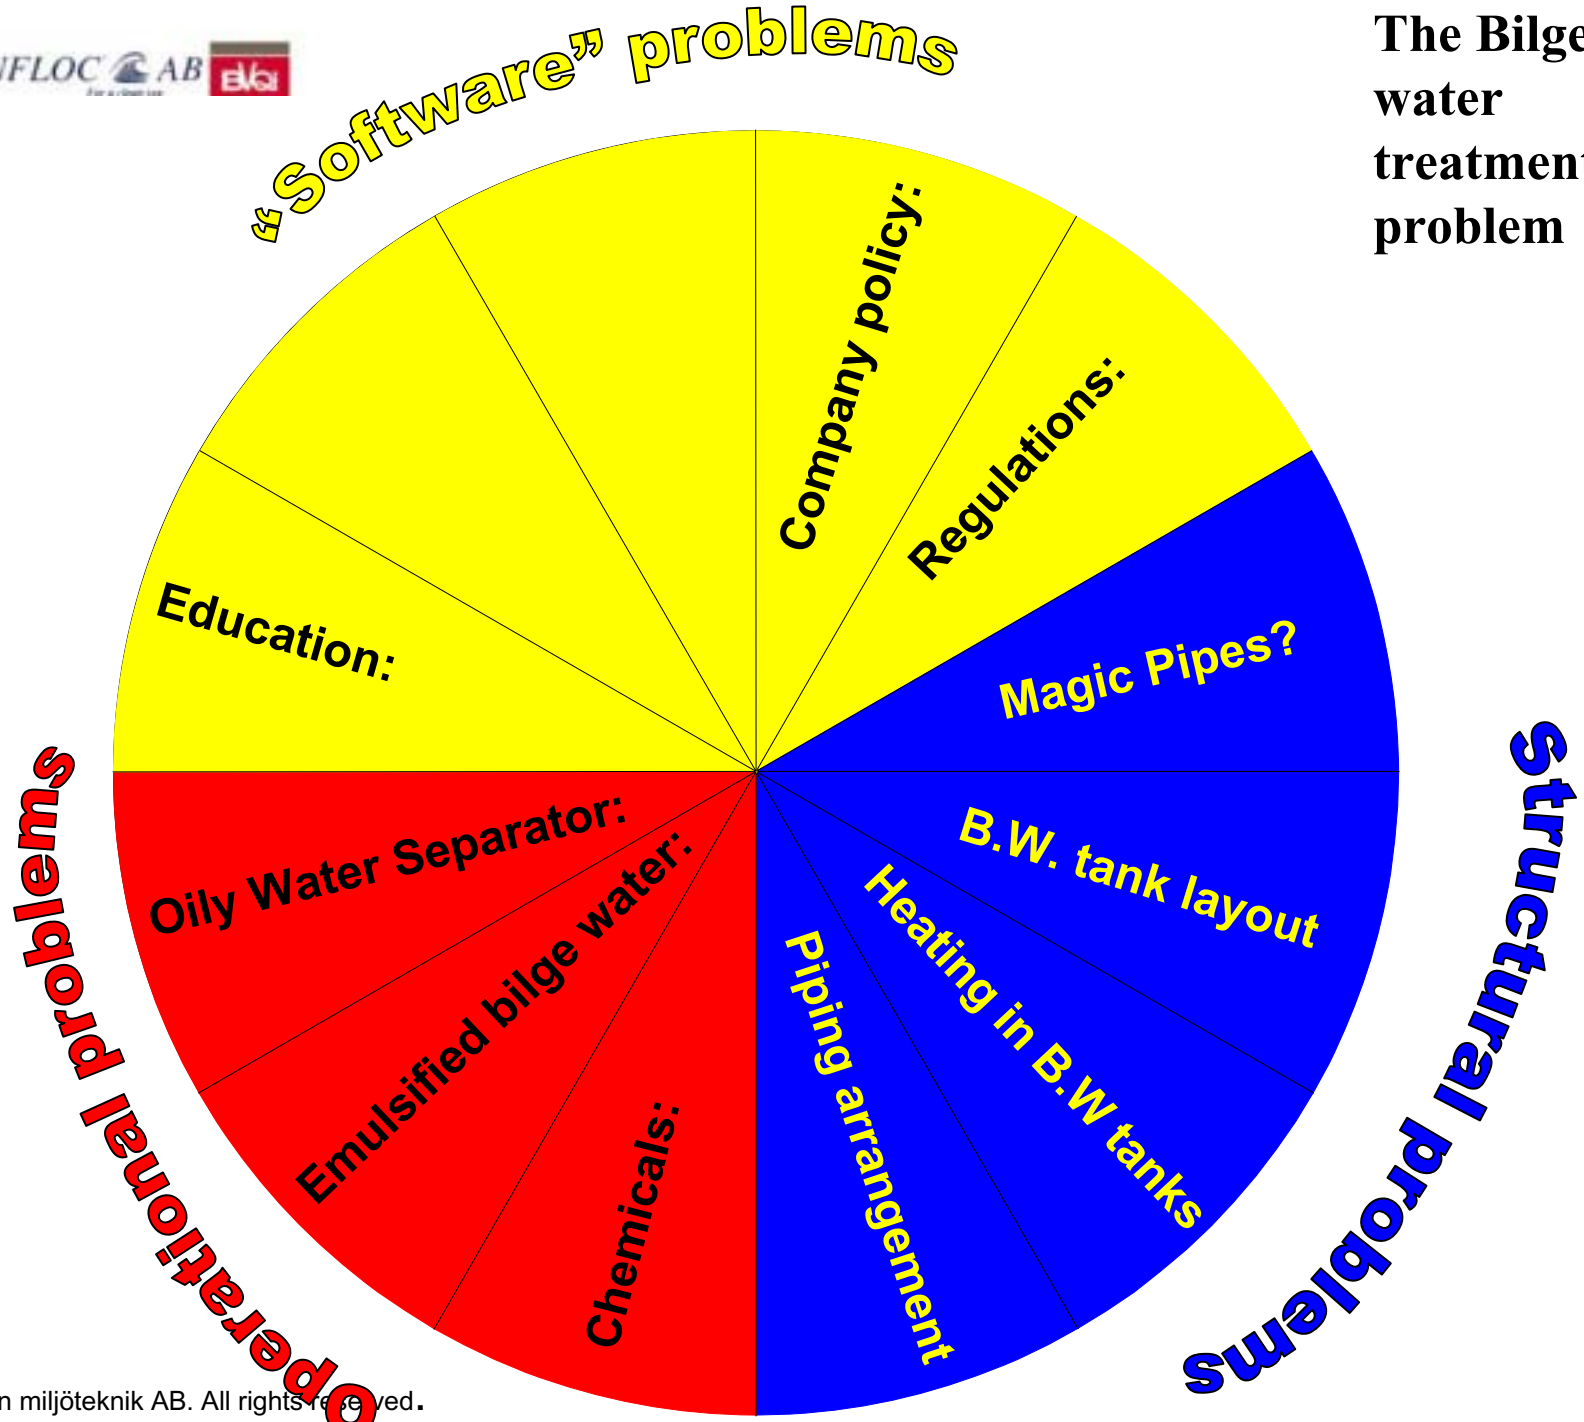

The Bilge water treatment problem

Marinfloc CD

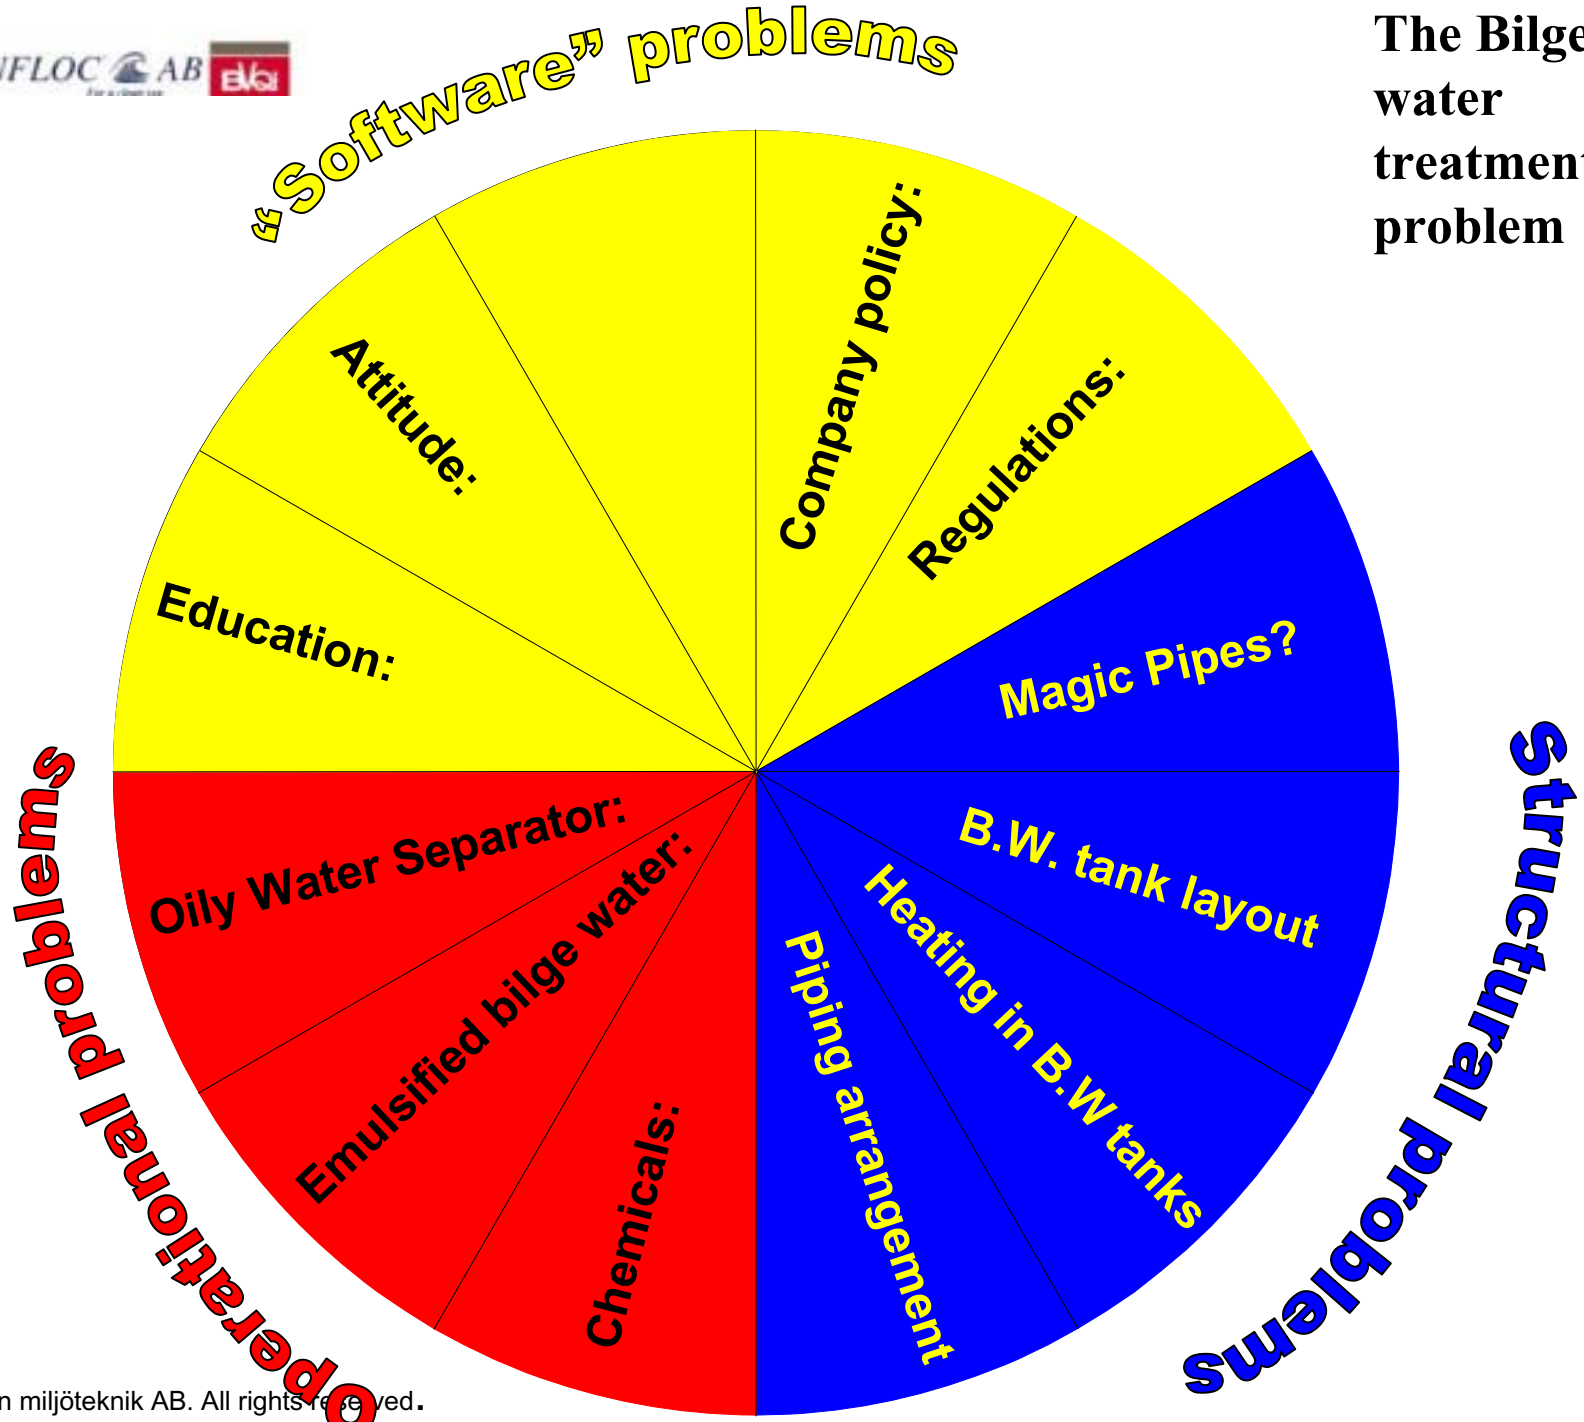

The Bilge water treatment problem

The Bilge water treatment problem

Do we really want to solve the problem?

We don't have
any problems

We have full
control

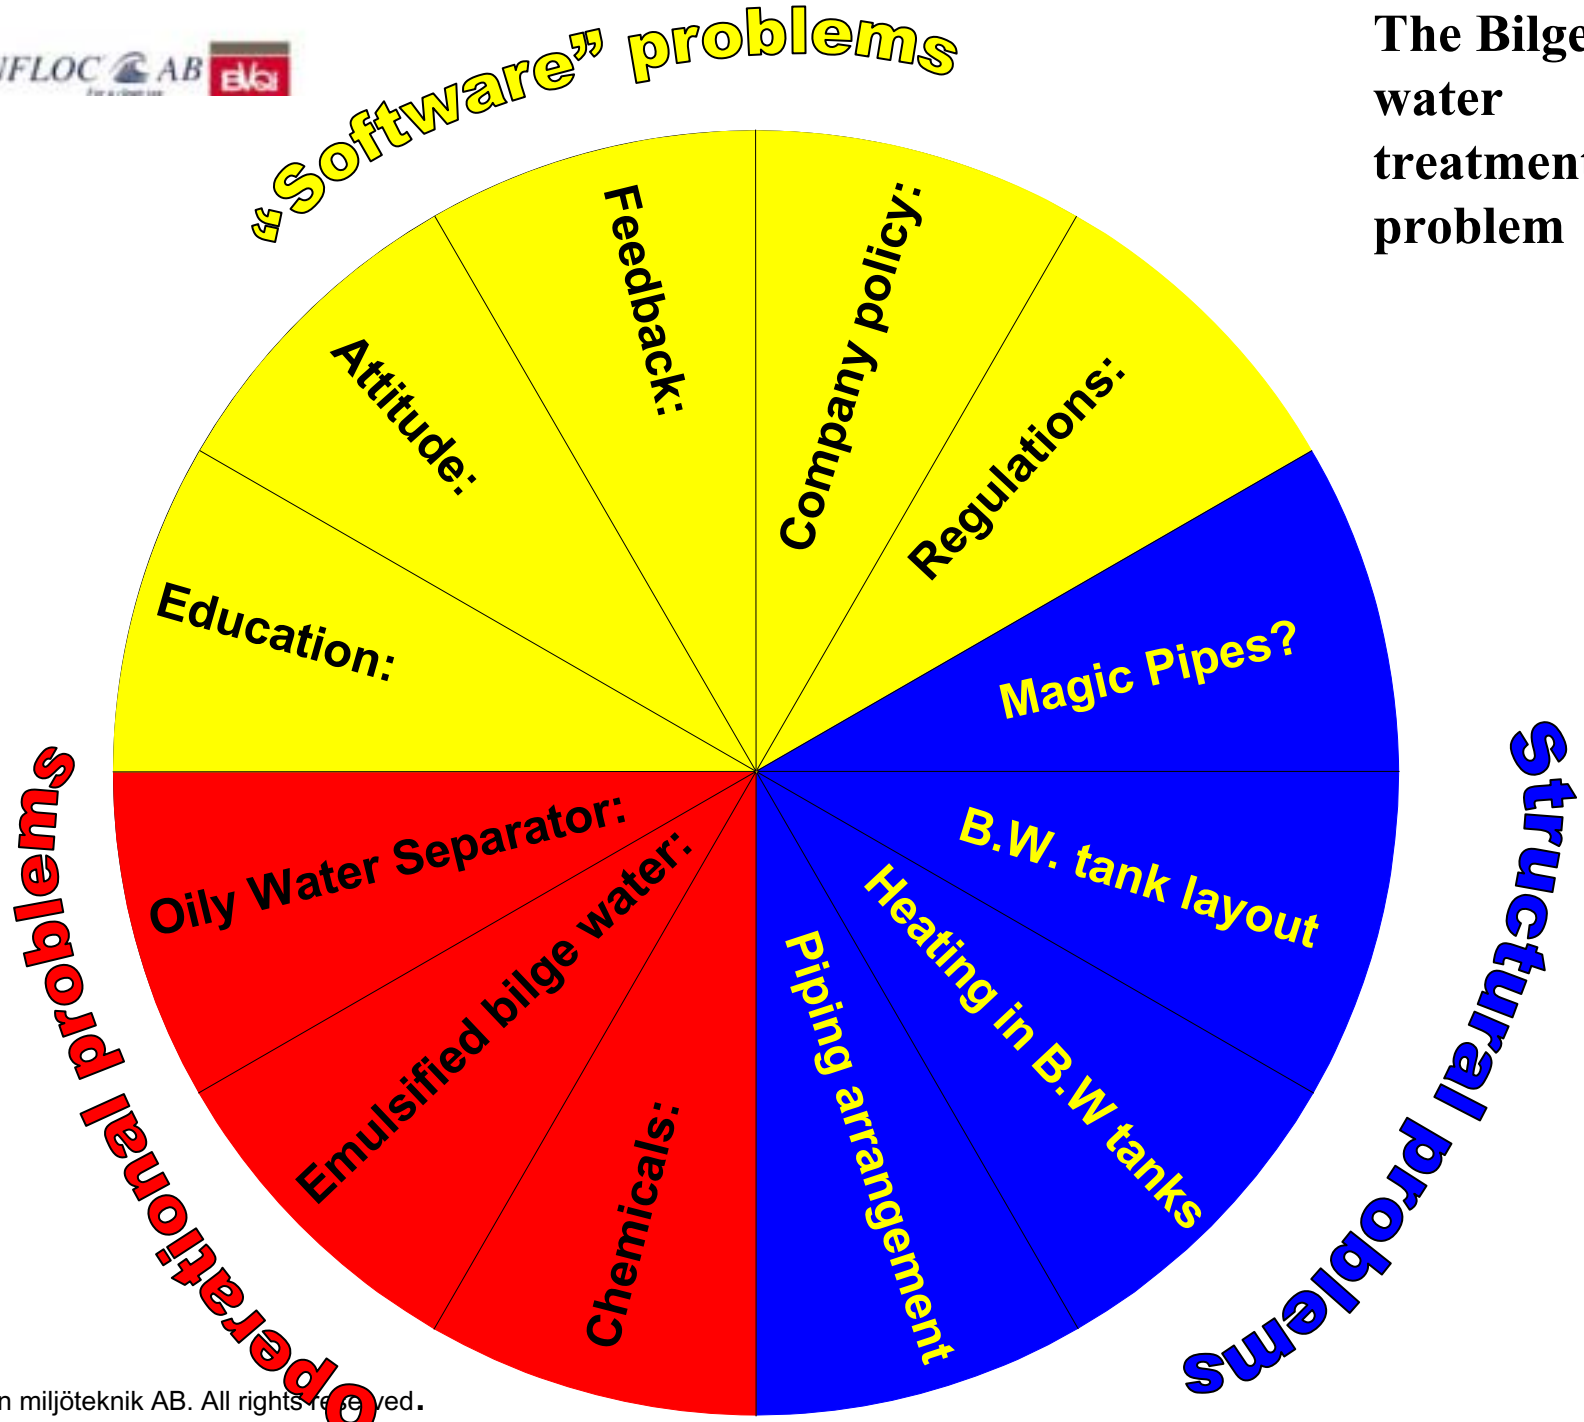

We don't have time
for this shit!

This water is
clean enough!

Another *bright*
idea from the
office!

The Bilge water treatment problem
